

Notes for the Annual Parish Meeting – Carlton Methodist Church

As mentioned last year the Methodist Church started a Food and Friendship monthly event with soup and a roll or a jacket potato with the intention of trying to combat loneliness in the Village. Unfortunately this has had limited success. We have taken the decision to suspend this event over the summer months, instead holding Coffee Mornings on the first Saturday of the month either in the garden of Grove Cottage (next to the Church) or in the Church depending on the weather.

On a better note a very successful Harvest Quiz and supper was held and raised £438 to be shared with Camblesforth Church.

The Church also organized Carols round the tree followed by refreshments courtesy of the Coop Store. This was a very successful event despite a cold evening and attracted 33 people.

On a broader note, the Goole and Selby Circuit Superintendent Minister, Reverend Peter Barnett, will be leaving at the end of August to take up a similar role with the Driffield and Hornsea Circuit. As a result of this and the general shortage of Local Preachers, Churches have been divided into groups (in our case with Snaith, Hensall and Camblesforth) to discuss the way forward regarding Sunday Worship.
